CHURCH HEATING

The gas heaters in the church are turned on before mass begins in an effort to take the chill out of the air, they are then turned off when mass begins. On very cold days the heaters will be turned back on once the Liturgy of the Word is finished.

The heaters are old, inefficient, noisy and leave an odour. We will be looking into different heating options in the near future as gas heating is no longer viable in the long term.

In the meantime it might pay to "Rug up" when you come to church.

Come and join us for a cuppa after mass today to celebrate the anniversary of Fr Melvin's Ordination

WORLD YOUTH DAY

Next weekend at our 9.30am Mass a group of young parishioners from our Parish will be sent forth as World Youth Day pilgrims. These parishioners will go to Lisbon to deepen and celebrate their faith with young Catholics from around the world. We will bless their journey and pray for them as a community.
